

What is Park Stewards?

Park Stewards is a partnership between Saint Paul Parks and Recreation and citizen volunteers to maintain a clean, green, and safe parks system.

Individuals, community groups and businesses care for a park.

The volunteers agree to:

- Regular litter pick-up
- Weeding of walkways & landscaping
- Vandalism/Damage Reporting
- Other duties as discussed with Parks staff.

The City of Saint Paul can help your group select a park, or you can choose your own. Volunteers under 18 years of age must have adequate adult supervision.

Once you have agreed to be a Park Partners Volunteer, you will be assigned a parks staff member to be your main contact. This contact person will work with you over the duration of your park partnership.

Park Stewards Volunteer Functions

Park Partners Volunteers perform these essential functions.

1. Pick Up Litter

Volunteers will do monthly trash clean-ups in their park to keep it looking its best.

2. Weeding

Weeding of park landscaping, plazas, sidewalks and bench areas maintains a clean, safe, and beautiful park experience.

3. Vandalism Surveys

Unfortunately, our urban park system attracts vandalism. However, we can deter vandalism by prompt reporting and removal!

Another way to make a difference:

Be a Park Stewards Sponsor! Park Stewards Sponsors are an integral piece of the Parks Stewards program. By giving a monetary donation, you will be helping support the ongoing care of our parks. Monetary contributions can come from individuals, families, small businesses, or large corporations and can be for any amount. Every donation makes a difference!

For more information about making a monetary donation, please call (651)-266-6458
